General Advice

You are urged to pay all of your taxes at the required time, and especially your poll tax which is by the Constitution of every Southern State made a special fund for the support of the free public schools.

You are also admonished against the commission of any crime, great or small, as the conviction of almost any crime will deprive you of your right to vote, and put upon you lasting shame and disgrace.

It is especially urged that as voters you should seek to be on friendly terms with your white neighbors in the communities in which you live, so that you may consult with them about your common interests; and that you should ally yourselves with the best people in your community for the general good. It is of the utmost importance to the race, and it cannot be urged too strongly upon your attention that nothing should influence your vote except a desire to serve the best interests of the country, and of your State.
